

# Exodus: God's Plan to Save

Exodus 5:1-23

## Who said it?

I said, "Who is the LORD, that I should obey his voice and let Israel go?"

We said, "The LORD look upon you, and judge! You have caused us to be badly treated by the Egyptians."

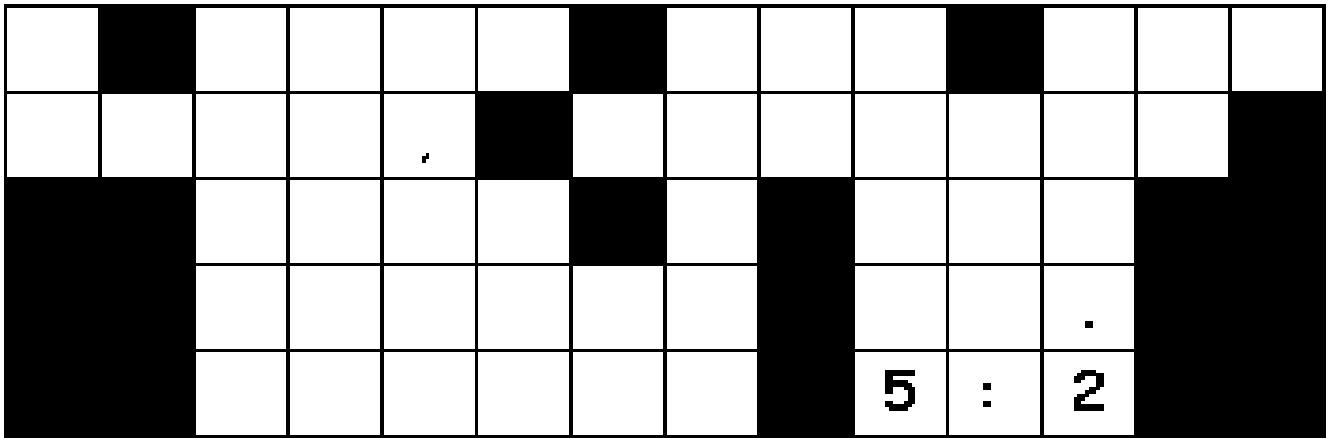

I said, "LORD, why have you treated these people so badly? Why have you sent me?"

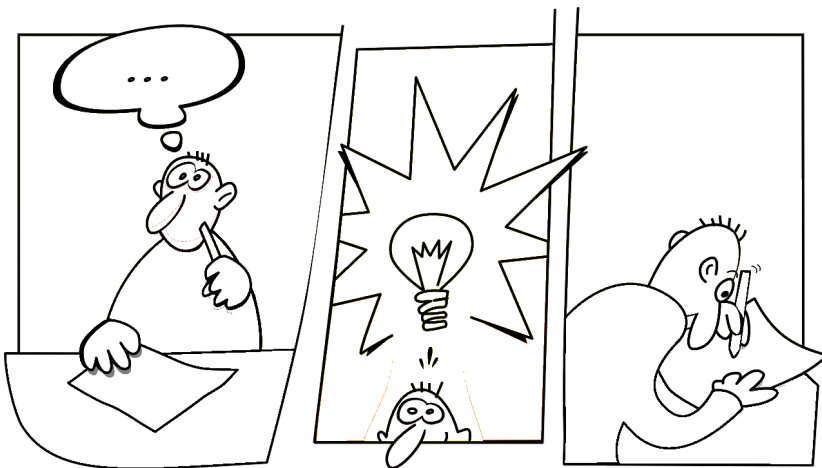

Was anyone really listening to God?

No-one was really listening to God, but Pharaoh was determined not to pay attention to God. Why was that?

*Hint: Remember this week's memory verse.*

**THINK!**

Look up what Abraham said about God at the end of Genesis 18:25. What does that tell us about God?
